# Turkey Chemical Regulatory Services

We offer a full range of services through our Istanbul office for companies operating in Turkey and companies exporting chemicals to Turkey by assisting these to comply with the relevant Turkish chemicals regulations:

- **KKDIK** (Kimyasalların Kaydı, Değerlendirilmesi, İzni ve Kısıtlanması) = Regulation on Classification, Labelling and Packaging of Hazardous Substances and Mixtures ("**Turkey REACH**")
- **SEA** (Maddelerin Ve Karışımların Sınıflandırılması, Etiketlenmesi Ve Ambalajlanması Yönetmeliği) = Regulation on Classification, Labelling and Packaging of Hazardous Substances and Mixtures ("**Turkey CLP**")
- **GBF** (Zararlı Maddeler ve Karışımlara İlişkin Güvenlik Bilgi Formları Hakkında Yönetmelik) = Regulation on Preparation and Issue of Safety Data Sheets for Hazardous Substances and Mixtures ("**Turkey SDS**")

**If you export chemicals to Turkey, your importer or Only Representative acting on your behalf must comply with these regulations.**
