PIPING

Cukurova Engineering (EPC); provides piping services for Chemical, Iron and Steel, food, and energy facilities in line with ASME B31.1, ASME B31.3, API 1104, EN 13480 standards, including engineering and material supply.

Our Services Under the Scope of Piping

- Gas Lines (Argon, Nitrogen, O₂, H₂, Natural Gas)
- Chemical Lines (AISI 304/304L AISI 316/316L)
- Steam and Condensate Lines
- Hot-Water and Cold-Water Lines
- Jacketed Pipe Manufacturing

- Pipe Spool Manufacturing
- Pipe Insulation
- Pressurized / Compressed Air Lines
- Chilled Water Lines
- Hot Oil Lines
