## Our One-Stop shop for India BIS Licence requirement

The BIS Act, 2016, Rules & Regulations is a means for providing a third-party guarantee of quality, safety, and reliability of products to the customer. Under BIS Act 2016, BIS Rules 2018 and BIS (Conformity Assessment) Regulations 2018, the provisions for Grant of Licence (GoL) are addressed. It covers BIS Licence for both Domestic and Foreign manufactures for chemical products listed in Scheme I (India BIS list) that are placed on the Indian market. India BIS Licence must be obtained within 180 days from the date of inclusion of such chemicals in Scheme I as defined in Quality Control Orders (QCO(s)).

### India BIS application process is:

- Complex and time consuming
- It has a tight deadline for preparation, submission, BIS Inspector factory visits, etc – 180 days
- Implementing BIS Standard Mark on your products
- It requires a lot of communication with the Indian Authorities

**REACHLaw India offers complete India BIS Licence services as a One-Stop-Shop.**

### Who can apply for India BIS Licence?

- Domestic Manufactures
- Foreign Manufacturers using AIR

Foreign manufacturers can appoint an Indian resident as an Authorised Indian Representative (AIR) to fulfil India BIS Licence requirements. REACHLaw India is happy to help you as your AIR for India BIS Certification purposes.
